Petition to the Nova Scotia House of Assembly

Date: May 27th, 2025

We, the undersigned residents of Nova Scotia, call upon the Nova Scotia House of Assembly to act in the interest of public health, environmental integrity, and community safety by:

1. Immediately halting the current Request for Proposals open for uranium exploration and extraction in Nova Scotia;
2. Reinstating the moratorium on uranium exploration and extraction without delay;
3. Instituting a permanent legislative ban on uranium exploration and extraction to ensure long-term protection of Nova Scotians, our watersheds, and our environment from the significant and well-documented risks associated with uranium-related industrial activities.
